**CULTURAL EXTRAVAGANZA**  
2021-2022  
ONLINE EVENTS SEP 30 & OCT 1

*" Exposing oneself to different culture is vital for personal growth "*

Dear parents and students,

At the onset of our journey towards the academic year 2021- 2022, we have decided to pace upon with a new addition. We like to name it "Cultural Extravaganza". Although our students cannot physically enter a set campus space together, we want them to log on plug in, and engage with one another remotely.

*"Inside every child is a rainbow waiting to shine "*

We cordially invite and eagerly wait for admirable performance by the students of little steps . It was followed by a range of fun-filled activities yoga and exercises , rhyme , recitation and playful performances .

The school management & principal also convey their best wishes as the fruitful session not only broaden the knowledge of the students but also inculcated a sense of appreciation for each others culture and heritage .
